INTO YOUR FUTURE

Thank you for choosing Tellur!

To ensure an optimum performance and safety, please read this user manual carefully before using the product. Keep this user manual safe for future references.

Technical specifications

Speaker type: 2.0

Rated power: 6W RMS (3W x 2)

Frequency response: 100Hz - 18KHz

Drivers size: 3" x 2

Impedance: 4Ω

Signal to Noise ratio (SNR): ≥80dB

Power supply: USB 5V 1A

Remote control: Yes, In-Line

Cable length: 150cm

Device size: 7.5cm x 9.5cm x 15cm (x2)

Device weight: 285g (x2)

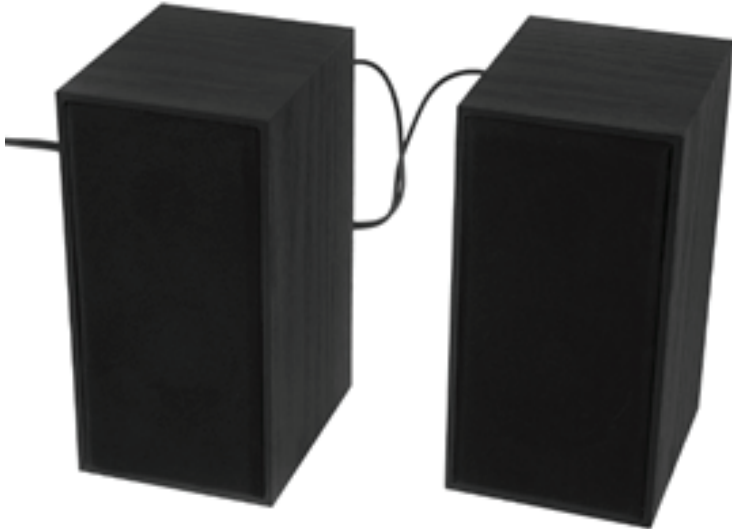

Set up

Plug and play, no driver required.

The speakers kit includes a USB power cable and a standard jack 3.5mm port.

Insert the USB cable and the jack 3.5mm into your laptop's ports. The USB connection will provide the power needed and the jack 3.5mm will provide the sound data transfer to the speakers.

The remote control can adjust the volume up or down.

Disposal and recycling information

The crossed-out wheeled-bin symbol on your product, battery, literature or packaging reminds you that all electronic products and batteries must be taken to separate waste collection points at the end of their working lives; they must not be disposed of in the normal waste stream with household garbage.

It is the responsibility of the user to dispose of the equipment using a designated collection point or service for separate recycling of waste electrical and electronic equipment (WEEE) and batteries according to local laws. Proper collection and recycling of your equipment helps ensure EEE waste is recycled in a manner that conserves valuable materials and protects human health and the environment, improper handling, accidental breakage, damage, and/or improper recycling at the end of its life may be harmful for health and environment.
