Sonar Bluetooth In-ear Headphones

Go with the flow

Navigate easier through the day with Sonar, our new Bluetooth in-ear headphones.

Lightweight and comfortable to wear, Sonar empowers your favorite beats by perfectly balancing the rich bass with crisp highs and natural mid tones.

When pausing from your music, the built-in magnets come in handy by keeping the earbuds together around your neck.

The Multipoint technology allows you to connect Sonar with two different Bluetooth enabled devices at once.

Sonar Bluetooth In-ear Headphones

- ⊗ Easy and fast pairing with smartphones, tablets and other Bluetooth enabled device
- ⊗ Immersive, high res sound, and powerful speaker drivers deliver the right balance of rich bass, crisp highs, and natural mid tones for your music
- ⊗ Integrated microphone for hands-free calls
- ⊗ Built-in magnets let you attach the two headphones together when not using them, a convenient way to carry them around your neck when you don't need them
