Tellur Voice headset 510N/520N

Better calls

The Wired headset Voice 510N is designed for professional use and delivers great sound at both ends of the call.

The Environmental Noise Cancelling (ENC) microphone makes sure your voice is heard perfectly by eliminating the background noise.

Moreover, the in-line function keys make it easy to control the volume or to mute the microphone. Enjoy more comfort and a wide compatibility thanks to the Quick Disconnect connectivity.

Voice 520N Binaural

Voice 510N Monoaural

Main characteristics

- Designed for professional use – call center & online meetings
- Offers clear conversations thanks to its Environmental Noise Cancelling microphone
- In-line function keys for volume & mute mic
- Wide compatibility due to Quick Disconnect connectivity

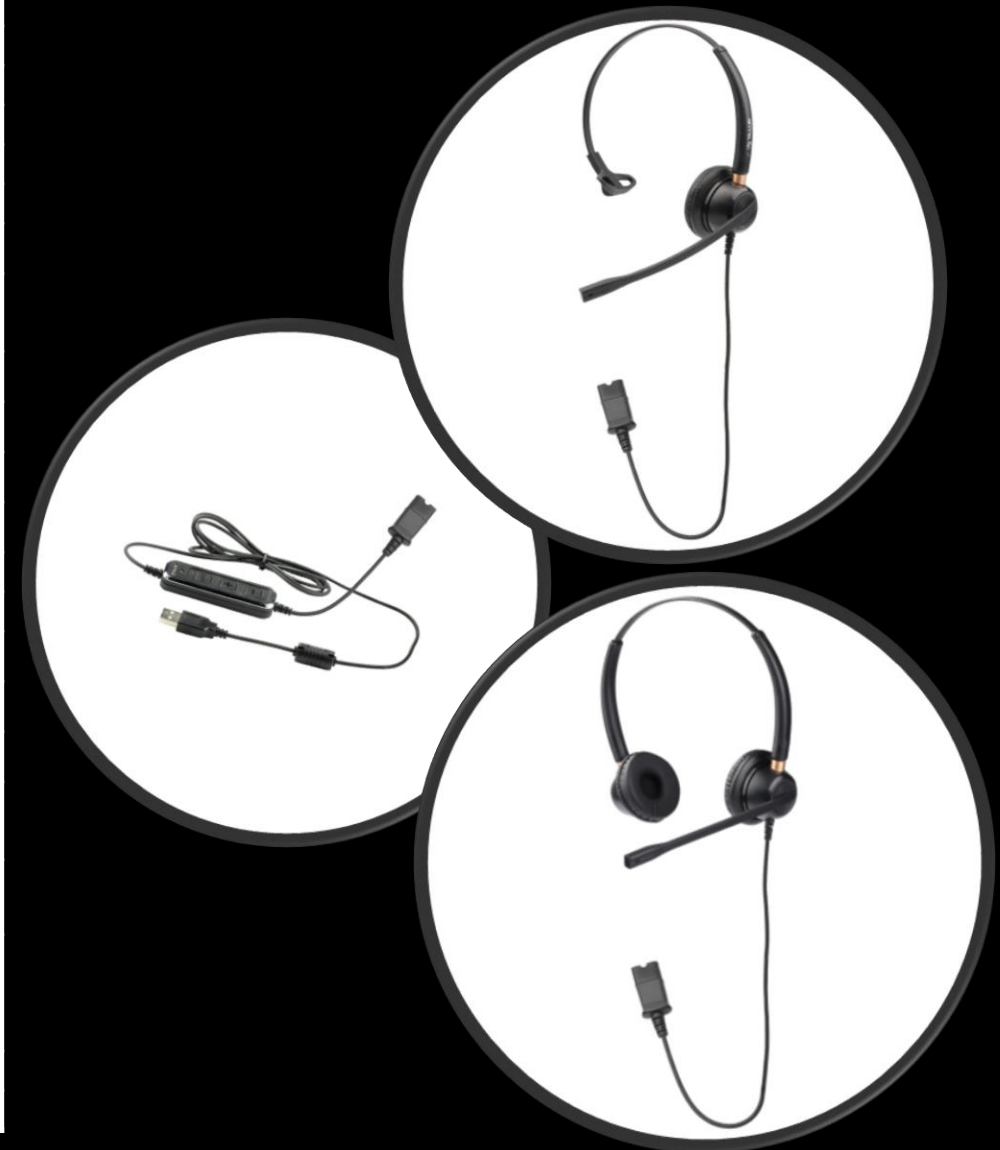

Connects to PC or deskphone with Tellur adapter

Ideal for Telephone-intensive users, including formal customer care centres and helpdesks
