Product description	<p>If you are not believing in love at first audition, let us play again some music! Close your eyes and let Hypnos do its beautiful job.</p> <p>With an elegant looking, excellent sounding and deep bass, it will hypnotize and make you answer to its dancing call. The very first thing you'll noticed about the Hypnos's sound system is its remarkable clarity and a powerful bass.</p> <p>Designed to quickly connect to your television for an instant home theatre solution, the system automatically reproduces detailed, high-output sound in almost any size room no matter what format of sound is coming from the TV's output. The dedicated subwoofer will add punch and rumble to TV shows and movies, creating a fuller sound and more effectively projecting audio throughout the room.</p> <p>Solidly simple and its black appearance make Hypnos fits every home design. Being easy to install and operate across the room thanks to an included remote control, Hypnos System complements your sound experience needs.</p> <p>Built-in Bluetooth® lets you stream music easily from your smartphone, tablet, or Bluetooth-capable computer. It works with the music stored on your phone as well as your favourite streaming music apps (like Spotify®).</p>
Technical specs
