How to use

Compatible products

Use this unit with smartphones.

Removing the headphones

After use, remove the headphones slowly.

Note

Headphones are designed to fit closely in your ears. If the headphones are pressed hard while in use or taken off too quickly, they may cause injury.

Precautions

High volume may affect your hearing. For traffic safety, do not use while driving or cycling.

Install the earbuds firmly. If an earbud accidentally detaches and is left in your ear, it may cause injury. Keep earbuds clean. To clean the earbuds, wash them with a mild detergent solution.

Disposal and recycling information

The crossed-out wheeled-bin symbol on your product, battery, literature or packaging reminds you that all electronic products and batteries must be taken to separate waste collection points at the end of their working lives; they must not be disposed of in the normal waste stream with household garbage.

It is the responsibility of the user to dispose of the equipment using a designated collection point or service for separate recycling of waste electrical and electronic equipment (WEEE) and batteries according to local laws.

Proper collection and recycling of your equipment helps ensure EEE waste is recycled in a manner that conserves valuable materials and protects human health and the environment, improper handling, accidental breakage, damage, and/or improper recycling at the end of its life may be harmful for health and environment.
