Full HD Webcam

Full view

Plug & Play. Full HD. Noise reduction microphone.

Characteristics:

- ⊗ Full HD resolution - the best choice for webinars and video conferencing
- ⊗ Manual focus design for complete image control
- ⊗ Built-in noise reduction microphone for a clear conversation
- ⊗ Plug and Play, easy to use

Join your team's video conference or your favourite webinars in **full HD resolution** with our webcam.

Just plug it in the USB port of your computer or other device and the webcam is ready to film!

Thanks to the **manual focus design**, you can accommodate more live scenes and create your desired picture.

The webcam also has a **built-in noise reduction microphone** that will ensure a clear conversation.
