control, USB, black
TLL491141

Over-ear headset PCH1

Have a talk

Function keys. Microphone. Plug & Play.

Characteristics:

- ⊗ Comfortable, even when heavily used
- ⊗ Suitable for online conversations, thanks to the built-in microphone
- ⊗ In-line function keys for volume, mute mic and sound off
- ⊗ Plug & Play via USB

Join your online meetings and other conversations with the Over-ear headset PCH1.

Just plug it in your computer's USB port and it is ready to be used.

The headset is designed to be comfortable, even when worn for long periods of time. So, you can listen to your favorite music all day long or simply adjust the built-in microphone and you are ready to talk.

The in-line function keys make it easy to control the volume, to mute the microphone or to turn off the sound.
