

## Argo Bluetooth Headset

Marketing information	
Product name	Argo Bluetooth Headset
Package product name	Argo Bluetooth Headset
Headline	Safe talk
Product keywords	Multipoint. Hands-free calls. Ergonomic design.
Main characteristics	<p>Easy and fast pairing with smartphones, tablets and other Bluetooth enabled devices</p> <p>Multipoint technology allows simultaneous connection with two smartphones</p> <p>The ergonomic designed earbud offers a perfect fit for ears</p> <p>Noise-cancelling microphone reduces background noise and offers you a clear wireless conversation</p>
Product description	<p>The new Argo Bluetooth headset is all about safe phone calls. Small and compact, with an ergonomic design, Argo can be worn all day long without any discomfort. Enjoy a crystal-clear conversation thanks to the noise-cancelling microphone that filters out background noise. More than one smartphone to answer to? The multipoint technology allows you to connect both your smartphones to the headset and answer calls from each one of them.</p> <p>With integrated voice alerts, the headset will give you information about the phone number that's calling you and will alert iOS users when the device's battery is running low.</p>
