Package product name	USB-A (male) to USB-C (female) adapter
Headline	<b>Compact and portable</b>
Product keywords	Minimalist. Smart. Durable.
Main characteristics	<p>A minimalist solution to connect phones, tablets, flash drives, mouse, hubs and other USB-C peripherals to your laptops and chargers with normal USB-A port</p> <p>Fast charging and reliable data transfer speeds up to 480Mbps</p> <p>Compact and smart. No installation or drivers required, just plug and play</p>
Product description	<p>Smaller, smarter and more convenient! This USB-A to USB-C adapter is solid and modern, with an aluminum alloy surface that ensures durability, heat dissipation and thus has a long life. The adapter is compatible with almost all types of laptops and wall chargers with a USB A port. This device is intended for data transfer and charging only, with a transfer speed of up to 480 Mbps and an output power of 3 A. In addition, the adapter is plug&amp;play. This means it can be connected and used straight away without downloading additional drivers or software.</p>
