Braid Lightning USB cable (2m)

Connect in style

This nylon-braided cable wants to keep you close to your devices. With its two meters length, you can relax on your favourite couch and still be able to use your phone while recharging it. The nylon-braided material makes the cable sturdier and enhances its resistance.

Main characteristics

- ❖ Compatible with all Lightning devices
- ❖ The nylon-braided jacket makes this cable sturdier
- ❖ Double function: charging and data transfer
- ❖ The cable's length (200 cm) suits a variety of everyday connection needs
