

MFi Lightning Cable

Marketing information	
Product name	MFi Lightning cable, 2m
Package Product name	BRAID MFi LIGHTNING CABLE
Headline	Connect in style
Product keywords	Free to roam. Resistant. Useful.
Main characteristics	<p>MFi certified cable, 100% compatibility with every Apple device with Lightning port</p> <p>The nylon-braided jacket makes this cable sturdier</p> <p>Double function: charging and data transfer</p> <p>The cable's length (200 cm) suits a variety of everyday connection needs</p>
Product description	<p>This nylon-braided, MFi certified Lightning cable wants to keep you close to your devices. With its two meters length, you can relax on your favourite couch and still be able to use your phone while recharging it. The nylon-braided material makes the cable sturdier and enhances its resistance.</p>
