Extendable USB to Lightning Cable

Stretch it!

Extendable.Durable.Efficient.

- ⌘ Extends to the length you need to connect your smartphone to the car charger.
- ⌘ Overcharge protection thanks to an intelligent sensor.
- ⌘ Saves space efficiently & does not tangle.
- ⌘ Durable woven fabric ensures strength and flexibility.

Extendable USB to Lightning Cable

Stretch it!

Extendable.Durable.Efficient.

Perfect for using to recharge your phone in the car, this **cable stretches** to the length you need and regains shape after you unplug it.

When it's not in use, the extendable cable can be easily stored because it does not take a lot of space and it does not tangle.

You can use this cable to recharge your smartphone, but also to transfer data from one device to another.

The extendable cable is made of durable woven fabric that ensures strength and flexibility. Moreover, thanks to the intelligent sensor, this cable offers overcharge protection to your device.

Extendable USB to Lightning Cable

Stretch it!

Extendable.Durable.Efficient.

Technical specs

Connectors type:	Lightning, USB-A
Charging Speed:	3A
Data transfer speed:	480Mbps
