Main characteristics	<p>The transparent design of the connectors allows you to be highlighted when you want to be different</p> <p>Fast charges your iPhone 8 or later from 0% to 50% in up to 30 minutes - when used with an 18W Power Delivery charger (not included)</p> <p>Combines the function of data transmission and fast charging</p> <p>Durable nylon weave ensures strength and flexibility</p>
Product description	<p>Charge your devices at the speed of light with our new Nylon braided Type-C to Lightning cable with transparent case. Compatible with Power Delivery(27W) technology, this speedster charges your compatible iPhone from 0% to 50% in about 30 minutes (when used with an 18W Power Delivery charger - not included in the package). It also supports data transfer rates up to 480 Mbps, efficient to transmit music, files, images and videos in a short time. The cable supports a power of up to 27W and it's compatible with devices with a Lightning port, such as the iPad and iPod, as well as with laptops with a Type-C port, such as the MacBook. In addition, the gold-plated connectors resist oxidation and can firmly connect to the USB port for more security.</p>
