

# Braid Type-C Cable

Connect in style - Mobile cables

## Braid Type-C Cable

### Connect in style

Free to roam. Resistant. Useful.

This nylon-braided cable wants to keep you close to your devices. With its two meters length, you can relax on your favorite couch and still be able to use your phone while recharging it. The nylon-braided material makes the cable sturdier and enhances its resistance.

### Main characteristics

- ❖ The nylon-braided jacket makes this cable sturdier
- ❖ Compatible with all Type-C devices
- ❖ Combines the function of data transmission and fast charging
- ❖ The cable's length (200 cm) suits a variety of everyday connection needs

---
