Product description	<p>Tellur Green wireless charger is the perfect choice for users who want to quickly charge their smartphones, in a nature-friendly way. Made from 35 % wheat straw fiber and 65% ABS, with a slim, foldable design, this wireless charger fits anywhere. It offers two functions simultaneously - it is a convenient phone holder and at the same time provides charging power. Can provide up to 15W power and automatically adapts to any smartphone necessities. In addition, it offers fast charging for Apple, Samsung, LG and other smartphones Qi. Increased safety thanks to overvoltage safety protection, temperature control and foreign object detection. Equipped with Type C power port and charging cable.</p>
