Universal Magnetic Phone Mount MUM TLL171092

Universal Magnetic Phone Mount MUM Universal. Magnetic. Adjustable

- 1) Powerful silicone magnetic surface
- 2) Aluminium outer ring
- 3) 360 degree rotation
- 4) Aluminium alloy telescopic arm
- 5) Lock system
- 6) Pressure lock
- 7) Strong adhesive base
- 8) Round metal plate
- 9) Rectangular metal plate

The powerful magnet supports any type of phone, leaving you free to fix your phone in the best viewing angle.
When you want to move the support, you only have to undo the lever, loosen the suction cup and rinse it before mounting

it to another surface, thus ensuring greater adhesion.

Universal Magnetic Phone Mount MUM Universal. Magnetic. Adjustable

- Easy to mount and use on multiple surfaces
- Aluminium alloy telescopic arm
- Powerful silicone magnetic surface
- Strong and oversized adhesive base
