Product description	It's fresh. It's a dot. It's FreshDot! An elegant addition for your car, FreshDot combines two useful functions in one classy accessory: magnetic holder for your smartphone and air freshener for your car. Designed from anodized aluminium, FreshDot will keep its glossy color intact for a long time. FreshDot has a powerful magnet that will hold your smartphone securely even on bumpy roads and is easily mounted in your car's air vent. Its delightful and refreshing ocean scent will eliminate all unpleasant odours from your car, leaving the air fresher. The freshness holder comes with one fragrance that can be replaced anytime you want, with refills being sold separately.
