BPH100 Bike Phone Holder

Ride along
Detachable. Universal. Access.

Mount the BPH100 phone holder on the handlebar of your bicycle, motorcycle or scooter and enjoy the ride!

Made of silicone, the phone holder can be stretched to fit all 4 - 6.5 inches phones and ensures a firm grip even on the bumpiest roads.

And when you want to take a photo or write a text, you can simply detach it without having to disassemble the entire bike stand.

Also, while mounted in the phone holder, you can rotate your device 360° to get your desired viewing angle.

Thanks to the curved silicone bands, you have full access to all buttons and controls of your smartphone and it will never block the face ID, light sensor, home button and finger sensor.
