Product description	<p>No parking space? No worries! Our temporary parking card is a simple solution to let others now you're only one phone call away. Slim and lightweight, the parking card is easy to fix on your car's dashboard thanks to its adhesive pads. It is made of high-quality metal, with structural stability and high-temperature resistance. In addition, thanks to its design, the support fits perfectly in your car and does not obstruct visibility. The magnetic numbers has a phosphorescent color, so you won't have to worry about night-time visibility. When you don't want your number to be exposed, with a simple one slide switch you can hide the last digits of your phone number.</p>
