Main characteristics	Possibility to display two phone numbers and hide them as well Durable material that does not deform at high temperatures Phosphorescent numbers for night-time visibility Six magnetic number sets included
Product description	<p>No parking spaces? No worries! Our temporary parking card is a simple solution to let others know you're only one phone call away. The parking card is easy to fix on your car's dashboard thanks to its adhesive pad. It is made of high-quality metal, with structural stability and high-temperature resistance. In addition, thanks to its design, the support fits perfectly in your car and does not obstruct visibility. The magnetic numbers have a phosphorescent color, so you won't have to worry about night-time visibility. When you don't want your number to be exposed, with a simple one slide switch, you can hide your phone number.</p>
