Product description	<p>Enjoy a relaxing mood with Tellur's Flame Aroma Diffuser!</p> <p>The combination of flame noctilucant and fog produces a realistic effect, just like the flames burning in the fireplace, bringing a romantic and warm atmosphere in your room.</p> <p>Just by adding water and a few drops of essential oils (not included), you can enjoy the aromatherapy up to 15 hours. Choose between 2 mist power level options, delicate mist for small rooms and stronger mist for large rooms. Thanks to the waterless auto-off option you can enjoy a restful sleep, and keep the diffuser on at night without worrying about it. Also, you won't mind annoying background noise because this aromatherapy diffuser is extremely quiet.</p> <p>With the remote control you can select the program of use for the aromatherapy diffuser: 2 hours, 4 hours or ON (up to 15 hours). Also, with the remote control you can set the light intensity but also the flame effect - strong, low or breathing light.</p>
