Main characteristics	<p>Slim ergonomic design with silent click</p> <p>Intuitive user experience with plug & play installation</p> <p>Nano receiver can be kept in the USB port to avoid any inconvenience</p> <p>20 meters wireless range</p>
Product description	<p>Decorate your desk with a silent click mouse and be more productive at work without disturbing others. Installed in a moment, the mouse needs no special software - just plug & play. The mouse offers complete comfort during prolonged use and has a nano receiver that can be easily left in the USB port, so you can make sure you won't lose it. The compact and slim design makes the mouse suitable for on-the-go use. Just put it into your laptop bag and take it anywhere. Also, the advanced 2.4GHz wireless technology provided by the mouse offers a reliable connection for a transmission range of 20m.</p>
