## Dual USB Car Charger with QC 3.0, 6A

Energy on the go

Mobility. Fast charging. Dual output.

### Characteristics:

- ⊗ Fast charging for devices that support QC 3.0 technology
- ⊗ Circular LED light and illuminated ports make the charger easier to use in dimly lit environments
- ⊗ Integrated smart technology automatically adapts the input current to best suit your devices
- ⊗ Supports protection from overcurrent, short circuit, overvoltage and overheating

With two USB QC 3.0 ports for fast charging compatible devices, our car charger will become your trustworthy companion for long car trips. This car charger integrates smart IC technology that enables it to detect your device's type and automatically adapt the input current for maximum efficiency. Also, its integrated safety features offer protection against overcurrent, short circuit, overvoltage and overheating, so you can safely recharge two devices simultaneously.
