Product description	<p>You don't have to worry no more about the mess created by the cords, at home, office or even on every trip you make. Tellur simplifies your life thanks to the 10 000 mAh WPD101 Compact Pro Power Bank, created with the MagSafe technology, the magnetic wireless portable charger being compatible with the last models of iPhone 12&amp;13. Also, the WPD101 Power Bank can deliver a massive 22.5W of power so it can charge two phones at once, no matter if you use the wireless &amp; USB or the USB &amp; Type-C ports. The integrated magnet is strong enough to hold your phone, while charging, every time you're on road, so you can't miss any important event, and, thanks to its slim and compact design, the charger can fit in your pocket or in the smallest corner of your luggage. When the power bank needs a recharge, it takes up to 3-4h with the 18W Power Delivery charger and a Type-C to Type-C Cable (not included). Pass-through power allows you to plug it in while still powering your phone, so you never have to wait to charge. Protection functions keep your device safe from short circuit, overcharging, overdischarging, overcurrent.</p>
