

Qi ultra-slim wireless fast charging pad WCP03

TLL151231

Qi ultra-slim wireless fast charging pad WCP03

Wireless energy booster

Safe. Fast charge. Tempered glass.

Characteristics:

- ❖ Supports fast wireless charging*, Qi certified
- ❖ Ultra-slim and portable design for convenient use
- ❖ Eliminates safety concerns with overvoltage protection, temperature control and foreign object detection
- ❖ Min. QC2.0 fast charger adapter required for fast wireless charging (not included)

Your wireless enabled device has found a new energy booster friend in our ultra-slim wireless charging pad. With a glossy surface made of tempered glass and a lightweight aluminium alloy base, this charging pad is a useful device with a classy, elegant design. Big enough to fit in your pocket, it's easy to take your charging pad with you anywhere you go. Your device will be safely recharged thanks to the multiple integrated protection features.

Qi ultra-slim wireless fast charging pad WCP03

Wireless energy booster
