Headline	A sense of security
Product keywords	Low energy consumption. Tamper notifications.
Main characteristics	Compatible with Tellur Smart app, perfectly integrated in the Smart Home ecosystem Works with classic AAA batteries with low energy consumption Tamper notifications - alerts for unauthorized handling Low battery notification
Product description	<p>Increase your sense of security with Tellur's WiFi Smart Door & Window Sensor. Working with classic AAA batteries, the sensor has a low energy consumption and a battery life of up to 6 months. Once connected with the Tellur Smart app, you will receive notifications directly on your smartphone when the door/window is opened/closed, the batteries are running low and, most importantly, when someone tries to destroy or detach the sensor. The history record helps you keep track of the days and hours when the door/window was opened/closed. The WiFi Smart Door & Window Sensor is only compatible with 2.4GHz WiFi frequencies and can be voice activated through Google Home and Amazon Alexa.</p>
Technical specs	
Power supply:	2 x AAA battery, 3V
Battery life:	Up to 6 months
Open/Close notifications:	Yes
Tamper notifications:	Yes
Low battery notifications:	Yes
History record:	Yes
WiFi standard:	IEEE 802.11b/g/n
Supported WiFi network:	2.4GHz
Dimensions:	7.5cm x 4cm x 1.8cm
Weight:	65 gr
Color:	White
Package includes:	1 x WiFi Smart Door & Window Sensor 2 x Adhesive tape 4 x Screws 2 x AAA batteries
Package dimensions:	7.8cm x 4.2cm x 4cm
Package weight:	85 gr
Product code:	TLL331091
EAN:	5949120000970
