| Product description   | <p>Equip your existing garage door opener with the WiFi Garage Door control Kit. It enables you to open &amp; close, set timer or schedule your garage door using only your smartphone. Moreover, you can remotely control it and include it in smart scenarios via Tellur Smart app. Keep your house safe - the WiFi Garage Door control Kit sends push notifications to your phone or reminds you to close the door. Monitor the door's status and keep track of the open/close operations from Tellur Smart app. Also, you can grant access to family members or friends thanks to the multi-user access function. Link the WiFi Garage Door control Kit to Amazon's Alexa or Google Assistant and control your garage door vocally.</p> |
