

WiFi Smart Solar Camera

FullHD

Marketing information	
Product name	WiFi Smart Solar Camera
Package Product name	WiFi Smart Solar Camera
Headline	Day and night security
Product keywords	Full HD. Remote control. Motion detection.
Main characteristics	Full HD resolution for clear and detailed images Remote control and push notifications via Tellur Smart app Night vision & motion detection functions Wire free, integrated + additional solar panel, waterproof rating IP65
Product description	<p>Keep your home safe & secure with the WiFi Smart Solar Camera - an outdoor camera that allows you to keep an eye on your property anytime and from anywhere.</p> <p>The built-in motion sensor makes the Smart Solar Camera record only when it detects movement, so you won't have to deal with hours of empty footage.</p> <p>Thanks to its full HD resolution, the images are clear, sharp and detailed.</p> <p>The Smart Solar Camera is entirely weatherproof (IP65 rating) and fully capable to withstand rain, snow, moisture, dust and dirt.</p> <p>It's wire-free, so be worry-free! It takes only a few minutes to install it.</p> <p>The camera uses solar energy to recharge its batteries, so you can mount it anywhere the sun shines. Moreover, in addition to its integrated solar panel, the camera comes with an additional photovoltaic panel for a better and prolonged exposure to the sun.</p> <p>With its two-way audio, the Solar Camera allows you to hear and be heard. Also, the night vision function offers protection even when the night settles in.</p> <p>Use Tellur Smart app to remote control the camera and to get push notifications when something happens on your property.</p>
Technical specs	
Sensor type:	1/2.9" CMOS
Sensor resolution:	2 Megapixels
Lens:	F:2.0 f:3.6mm
View angle:	92°
PIR sensor:	Yes, up to 8 meters
Image resolution:	FullHD 1080P 1920*1080
Video compression:	H.264
Bit rate:	256Kbps-512kbps
Frame rate:	15 fps
Memory slot:	MicroSD card class 10 min (up to 64GB), not included
Night vision:	Yes, up to 10 meters
Audio communication:	Two-way audio
Waterproof:	IP65
WiFi standard:	IEEE 802.11b/g/n
Supported WiFi network:	2.4GHz
Integrated solar panel:	1.2W / 5V
Battery:	3.7V, 4400mAh Li-ion 2 x rechargeable batteries
Additional solar panel:	3.3W / 5.5V
Solar panel cable length:	2.95m
Dimensions:	197 x 97 x 71mm
Weight:	310gr
Color:	White
Package includes:	1 x Tellur Solar Camera 1 x Additional solar panel 1 x USB charging cable 2 x Screws sets 1 x Screw driver 1 x Mounting bracket 1 x Antenna 2 x Rechargeable Li-ion batteries
Package dimensions:	220 x 158 x 97mm
Package weight:	640gr
Product code:	TLL331231
EAN:	5949120003117
