

Smart WiFi Water Valve

Marketing information	
Product name	Tellur Smart WiFi water valve, DN20, IP67, 10 bar, DC 5V
Package Product name	WiFi Water Valve
Headline	Smart Water Control
Product keywords	Programmable. IP67. Smart Control. Smart Water Valve
Main characteristics	Integrated functions, fully customizable, smart scenarios Protection against power failures Work with Amazon Alexa, Google Home, Siri Shortcuts Perfectly integrated into the Tellur Smart ecosystem Easy to install and use with Tellur Smart App. No master HUB or subscription required
Product description	Are you at work, in vacation or just don't have time to water the flowers or garden? Don't worry, the smart water valve can do that for you with just one click from Tellur Smart App. The Smart Water Valve integrates perfectly into the Tellur Smart ecosystem so you can create multiple automations and scenarios together with other Smart products. Combined with a smart flood sensor you can program the valve to close in case of water leakage detection. Also, depending on the weather, the water valve can be programmed to open, close or adjust the flow of water when is connected to the garden irrigation system. Compatible with Amazon Alexa, Google Assistant and Siri Shortcuts.
Technical specs	
Input power:	USB DC 5V/2A (AC adapter not included)
Cable length:	1.5 meter USB to 2pin waterproof socket connector
Pipe connector material:	SS304 (Stainless Steel 304)
Valve size:	DN20 (3/4") BSP thread
Max pressure:	1.0 Mpa (10 Bar)
Waterproof rating:	IP67
Manual operation:	Fully open / fully closed by manual switch
Features:	APP Remote operation, Flow size control, Schedule and Countdown, Fully integrated in Tellur Smart ecosystem
Power failure protection:	Automatically close if unexpected power cut off
Wireless frequency:	2.4GHz
WiFi standard:	IEEE 802.11b/g/n (WiFi-6 not supported)
Security:	WEP, WPA/WPA2, WPA/WPA2 PSK (AES), WPA3
Encryption type:	WEP/TKIP/AES
APP Name:	Tellur Smart
APP Compatibility:	Devices with Android 4.2 / iOS 8 or more recently
Google Home:	Compatible
Amazon Alexa:	Compatible
Siri Shortcuts:	Compatible
Suitable for:	Indoor use
Working condition temperature:	-30°C ~ 60°C
Package include:	Smart WiFi Water Valve USB Power cable
Product dimensions:	71 x 88 x 131mm
Product weight:	730g
Package dimensions:	210 x 160 x 90mm
Package weight:	1000g
Product code:	TLL331501
EAN:	5949120004633
